## MONTHLY GREEN DAY

The Moevenpick's Green Team does not rest on its laurels. The recently received Travelife Gold Award is only one more reason to keep the efforts for a sustainable and healthy tourism going. The Green Team organizes a monthly Green Day every second Tuesday of each month, during which guests and employees are invited to participate in the various special activities on offer:

- a tour behind the scenes to get an insight of the hotel's environmental friendly operation,
- beach cleanup with award ceremony,
- recycling arts and crafts at the Kids Club,
- and, to round off the day, a guest cocktail with an "organic" touch.

On the occasion of World Tourism Day on September 27, the children of a local orphanage have been invited to spend a leisurely day by the beach.

To participate call ext 120 and ask for the Guest Relations desk

## HAPPY BIRTHDAY TO THE DIVE TRIBE!

The Dive Tribe celebrates its 10th anniversary this month! Formed on 1 October 1999, The Tribe was built on a passion for diving and the Red Sea, and the formula has been successful with many guests returning time and time again over the years.

In the past decade the Dive Tribe has contributed to local and national environmental protection and cumulated over 150,000 dives in the Red Sea; more than 40,000 snorkelers have had a closer look at the wonders of our magnificent reefs, and around 8,000 diving certification courses have been taken.

For the 10th Anniversary and over the next few months, The Dive Tribe we will be offering diving trips and
